

BOSTON HEALTHNET SHUTTLE SERVICE

Boston HealthNet is an integrated **health care** delivery network serving most of Boston's neighborhoods and Quincy.

BMC HealthNet Plan is a managed care organization for MassHealth and Commonwealth Care recipients that works with the Boston HealthNet health centers and other providers throughout Massachusetts.

BMC HealthNet Plan offers an array of health plans, including plans for those eligible for MassHealth. To learn more, visit the BMC HealthNet Plan website or call 1-800-792-4355. You can also receive assistance with insurance or eligibility inside your health center.

For all your **insurance** plan options, visit
